

## Apparitions of Our Lady in São José dos Pinhais (Paraná - Brazil)

*"My children, I need the help of each one of you so that these messages reach everybody around Brazil and even abroad. Children, don't just stand there. Start straight away today; send out these messages written with so much care and affection over these past years. Don't be indifferent about my messages my loved ones." (10th April, 2011)*

	<b>where</b>	São José dos Pinhais
	<b>when</b>	since 1988 - in progress
	<b>who</b>	to Eduardo Ferreira (15 years old when the apparitions began)
	<b>title</b>	Mystic Rose
	<b>church position</b>	the local bishop has been coming along to these events
	<b>why</b>	<i>"I've been coming to São José dos Pinhais to teach you the path of love, prayer and pardon" (13th Aug, 2010)</i>

### History of the apparitions

Eduardo Ferreira was born on the 31st July, 1972 in Itajaí, in the state of Santa Catarina, Brazil.

His life began to change after the 6th January, 1983, when, in his back yard, he found a small image of the patron saint of Brazil - Nossa Senhora Aparecida [Our Lady who Appeared].

**On the 12th October, 1987, at 12:35 p.m.**, four days after his first communion, Eduardo and his 7-year-old sister Eliete were praying in front of the image he had found of Our Lady who Appeared when suddenly a small blue light shone out from the hands of the image and lit the whole room up. Something special was about to happen to this young 15-year-old.

In his room, on the afternoon of **the 12th February, 1988**, at 6 p.m. Eduardo saw, for the first time, a young lady in white garments with a blue belt around her waist. On her right arm a beautiful transparent rosary glistened so very much. The young lady's hair was as black as night, her eyes blue, her face glowed with such great beauty. In this vision Eduardo noticed that the Virgin Mary was in a grotto and at the side there were many roses, of which he could count 54. Later on, Our Lady told him that the number of roses represented secrets to be revealed. At the feet of the Virgin there was a small stream where a serpent appeared and wanted to jump into the water. The Virgin Mary trod on it with one of her feet.

Eduardo's second apparition of Our Lady was on the 18th February, 1988. The apparitions continued almost daily until the 1st January, 1996, when Our Lady revealed to him that she would appear on Thursdays and one day of the week without a set date. On the 12th February, 1997, Our Lady planned her apparitions for Thursdays, each 12th of the month and when the heavens needed to intervene with a warning message.

At the request of Our Lady, Eduardo left his professional nursing activities to dedicate himself entirely to the salvation plan of the Blessed Mary.

It was at the hospital that Jesus gave him his first message on the 23rd October, 1995.

On the 2nd February, 1996, Eduardo received the **stigmata**.

Since the 13th May, 1996, Eduardo has been receiving mystic communions from Archangel Michael.

Eduardo also experienced apparitions from St. Joseph the Chaste, spouse of the Virgin Mary, from the three Archangels Michael, Gabriel and Raphael, the Angel of Peace, St. Vincent de Paul, St. Sebastian, St. Catherine Labouré, St. Anthony, the blessed Francisco and Jacinta (two shepherd children from Fatima), St. Rita of Cascia, St. Pio of Pietrelcina and from St. Pauline.

Eduardo is mystic, having various charisms such as prophecy, healing, dreams, visions, bilocation and discernment

of spirits. Eduardo was also persecuted at times, slandered, scorned and even threatened with death due to his having apparitions of Our Lady. From December 1996 until July 1997 he went through a lot of suffering. They were seven months of ordeals sleeping on park benches, on the beach, in bus stations and hostels. Relatives and supposed friends planned his death. All this suffering simply because he saw Our Lady. Calumnies were planted in his family. Priests and clergymen tried to detract from Eduardo's moral character. However, all this was in God's plan. During the time he spent in the street Our Lady appeared to him to comfort and assure him of victory. In 1997 Eduardo set up home in São José dos Pinhais, in the state of Paraná, Brazil. It was in this city that Our Lady came to live. It's at the Ark of the Covenant grange, site of the apparitions, where Our Lady wants to allure her children to God.

### **CONSECRATION OF OUR LADY, QUEEN OF PEACE AND MEDIATOR OF ALL GRACES**

*(taught by Our Lady to brother Eduardo on the 21st August, 1996)*

Virgin Mother, Queen of Peace and Mediator of All Graces.

I offer and dedicate my body and my soul, my heart, everything I am, everything I have.

I devote myself to you for love and to love. I offer up myself to your Motherly care.

Just like Jesus did all his life, I want to honour you, united with your heart.

Oh Mother, above all I want to imitate your purity, your humility, in short, all of your qualities.

Oh Mother, I want to dedicate myself to fight under your command so that the Kingdom of God comes.

Mother, welcome my act of consecration, accept me as your son  
and offer me to the Heavenly Father along with Jesus.

Help me be faithful until I die.

O clement, O loving, O sweet Virgin Mary. Amen.

### **SOME MESSAGES FROM 1988 TO 2016**

#### **Message from Our Lord Jesus Christ - (17th June, 2000) São José dos Pinhais/PR**

My son! I come through you, to warn my children, decisive days on Earth are nearing.

It is necessary for you to remain steady as a rock.

I ask you for: prayer and penitence.

The air you breathe is already contaminated with toxic gases.

You'll soon smell the bad odour of the toxic gas.

This sign will show all of you that the day of judgement is getting closer, remain steady.

I love you. I'm concerned about your conversion.

Rise children and come back into My Fatherly arms.

Pray without stopping. Come to My encounter in the Eucharist. I want to be part of your lives.

How I miss your presence in My house (Church).

My return is close.

Accept the requests of My Holy Mother, made here in Paraná, through São José dos Pinhais.

Dwell in My peace.

Jesus.

#### **Message from Our Lord Jesus Christ - (27th January, 2001) São José dos Pinhais/PR**

Oh Generation!

I am Jesus Christ! I am the Lamb of God who came down from Heaven.

My children, may My peace be among you.

My Mother and I continue to practise the mercy of Our Sacred Hearts. Heaven sets camp in this place.

We continue pouring our blessing over all of you who come here.

I ask you to open your hearts up to Me and My Mother.

Children! Revere Me! I keep knocking on your hearts but you do not open up the doors of your hearts to Me.

True peace is within Me. I am Alpha and Omega, the Beginning and the End

I prophesy times of suffering. My Holy Mother is already no longer appearing at many apparition sites.

My Sacred Heart continues to pour out its Mercy.

It makes Me very sad for having sent My Holy Mother to Earth, to warn you of the punishments to come.

There were only a few who listened to her.

In 1846 in La Salette, My Mother appeared to two children, inviting them to pray for the Church.

In 1858 in Lourdes, My Mother invited Bernadette to do penitence for sinners.

In Pontmain, Paris, Biding, Saint Bazuille and Pellevoisin all in France; My Mother wanted to establish her triumph.

Many did not want to accept this. They refused her Message of love and peace.

At Cova da Iria [Irene's Cove, Fatima], My Mother, already tired, prophesied her reign with the triumph of her Immaculate Heart to the three shepherd children.

Not only abroad, but also here in Brazil, My Mother appeared and cried even tears of blood; having seen what awaits this humanity.

Since 1930 in Campinas until today, She has been crying, inviting her children to return to God.

In Pesqueira, a peaceful city in the state of Pernambuco, I sent My Mother.

From the top of the hill She waved with a gesture of love, inviting her children to convert.

There She showed what would happen to this country if her children did not return to God.

On her hand, a deep wound opened up from which spurted blood. Many ignored this precious apparition.

I sent My Mother to the cities of Bearaing, Banneux and Olsene all in Belgium.

In Bearaing, She showed her Golden Heart because she saw there was still some hope for many.

My Sacred Heart bled on seeing what they did with the messages left by My Mother in Bonate, Kerizinen, Montichiari, Garabandal, San Damiano, Akita, Kibeho, Medjugorje and so many other places.

Yes! Medjugorje too. There My Mother gave her last warning for all of humanity.

Her messages are to be read not stored away.

Oh Generation! Emptiness has already taken over your hearts.

Very soon My Mother will no longer be seen in the four corners of the Earth. In Medjugorje alone.

Her tears are already starting to fall on the whole of this generation.

Her weeping increases every day, as she sees there is already not much time left.

Come to my encounter in the Eucharist. Soothe your hearts.

Prophets have announced false dates about My Glorious Coming.

Steer clear of those with the mouths of perverse wolves.

I am Jesus.

#### **Message from Our Lady - (3rd October, 2003) São José dos Pinhais/PR**

Dear Children, I insist you pray the rosary in your homes to ward off evil. Pray, pray!

My children, sin is spreading more and more across the whole of humanity. You cannot live in sin.

Believe me, Hell exists.

Live my messages.

I love you. I bless you in the name of the Father, the Son and the Holy Ghost.

#### **Message from Our Lady - (2nd January, 2006) SÃO JOSÉ DOS PINHAIS/PR**

Children I invite you to pray the rosary more devotedly, only then will you understand what I want for you...

Pray for the souls in purgatory so that their suffering may be eased by your prayers.

Do not forget to have in your homes candles, salt, water and holy objects all blessed...

Convert without delay my children.

I love you...

#### **Message from Our Lady - (18th October, 2007) São José dos Pinhais/PR**

My dear son, children who are faithful to my Motherly requests give me so much pleasure.

My son, be careful with the attacks from our adversary.

He always thinks he is astute and tempts you in every way.

Place yourself in my Immaculate Heart. Only here shall you find refuge.

To my Japanese children!

My dear little children, I, the Queen of Peace, invite you to love the Lord and Creator of this universe.

I invite you to be bathed in the Light of God.

Put all false philosophy to one side. Buddha is not the Creator.

The Lord wants to save you. Flee from idolatry while there is time.

Children, I want to take you to the Heart of my Divine Son.

My tears in Akita were a call to the arms of the Lord.  
Love God and not Buddha.  
Pray and beg for forgiveness to God for your sin.  
The Lord is about to let his arm fall over this nation.  
An earthquake is going to devastate a lot of cities leaving many dead.  
A big wave is about to rise over this nation.\*  
Beloved children, save your soul. Idolatry does not please God.  
Do not be slaves to yourselves my little children.  
Escape from sin while there is time.

*\*cf. tsunami on 11th March, 2011*

**Message from Our Lady - (14th January, 2008) Castro/PR**

My son, the presence of each one of you pleases me.  
I am the Ark of the Covenant at the end of time.  
The Lord sent me to Earth to invite you to step into my Immaculate Heart.  
In my Heart you shall be defended against evil. Convert without delay.  
Blessed are those who did not see and yet believed in my apparitions.  
Pray, pray! God loves you.  
I bless you in the name of the Father, the Son and the Holy Ghost.

**Message from Our Lady - (4th June, 2008) São José dos Pinhais-PR**

Beloved children, on this day I beg you to fast on Mondays for priests already deceased.  
I have already asked for Monday fasts in past messages, to help a father get out of purgatory\*.  
You have to take seriously the messages I have transmitted in the name of the Holy Trinity over the years.  
Open your hearts to my bidding. Pray, pray little children.  
I am the Queen of Peace, the Lady of the Mystic Rose.  
I bless you in the name of the Father, the Son and the Holy Ghost.

*\*The fast of bread and water is from 6 in the morning until 6 in the evening.*

**Message from Our Lady - (2nd November, 2008) São José dos Pinhais-PR**

My children, I invite you to seek refuge and consecrate to my Immaculate Heart.  
Pray for there to be more holy priests among you.  
They need your prayers to become converted and at the same time to give testimony to the Love of God in their lives.  
Pray they do not give in to the traps of evil.  
Do penitence for the priests! Fast on Mondays for the souls of the priests.  
I bless you in the name of the Father, the Son and the Holy Ghost.

**Message from Our Lady - (12th May, 2009) São José dos Pinhais/PR**

My sons, I am the Queen of Peace – Mediator of All Graces.  
My loved ones, it is essential to pray for discernment to know where I am truly going to manifest.  
Evil is at large trying to trick you into deviating from the path of the Lord.  
I am the Mother of Unity. I have been coming to these manifestations to invite you to unity.  
My loved ones, my desire is to help you.  
Once again I invite you to pray for peace in Brazil.  
I repeat: distance yourselves from those who sow discordance and gossip.  
These manifestations of Mine are the continuation and conclusion for Montichiari.  
Circulate these messages of Mine with love. Pray, pray for My plans to be fulfilled.  
I bless you in the name of the Father, the Son and the Holy Ghost.

**Message from Our Lady - (31st August, 2009) São José dos Pinhais/PR**

Beloved children, I invite you to continue to broadcast my messages to convert.  
It is necessary to carry the Good News of my messages to your brothers and sisters spread around this world.  
My messages need to be taken seriously starting with you who publicize them.

The rosary has to be prayed with devotion and trust.

Form prayer groups in your communities so that my messages are spread afar.

March onwards, my children! Courage, for I am close by.

Beloved children, my messages need to be placed in books and also translated into various languages so everybody knows I am coming to Brazil bringing a Message about converting all of humanity.

Pray, pray, pray.

I bless you in the name of the Father, the Son and the Holy Ghost.

#### **Message from Our Lady - (19th August, 2010) Curitiba/PR**

Dearly beloved children, it is not my desire to speak of things that will fill you with fear, but rather I as a mother want to warn you with words from Heaven, that if you do not pray difficult times will fall upon humanity.

My children, it is only through the grace of prayer that you will be able to discern what is good and what is evil.

Beloved children, a remarkable fact will be seen in the sky above many Brazilian cities and shall be repeated almost identically in many countries.

Be alert, as decisive days are approaching for all of humanity.

Keep yourselves close to Jesus in the Blessed Sacrament, because the days are coming when many people from church will doubt His true presence.

Pray for his priests because there is much confusion within the church.

I bless you in the name of the Father, the Son and the Holy Ghost.

#### **Message from Our Lady - (26th May, 2015) Heede/Germany**

My dear son, your affection for me makes Me so happy. I am the Mother of Love, the Queen of the Universe.

My son, humanity is submersed in a world of pleasure, materialism and vices.

Many of my children are slumbering and straying away from God.

My son, those who say they are faithful to My Son Jesus are becoming indifferent towards their neighbour.

Beloved children, you have to pray to comprehend what I am telling you.

Here in Heede in the 30s, I invited my children to pray.

Few put into practise this request of mine.

War came and along with it much destruction and weeping.

Again today, I ask you once more for prayer and penitence.

Beloved children, Heaven exists as well as Hell where evil souls go to.

Be careful of false philosophies that deny the truth of the Gospel.

These philosophies are spreading throughout the whole world, even in the hearts of my favourite children.

Pray for the priests.

Pray for Pope Francis. Help him to stand firm in the tone of St. Peter's sermon.

My children, you are living in very confused times which do not allow you to notice the great dangers humanity is facing.

Great suffering is about to be cast down upon all humanity.

Some countries will suffer more than others.

My children, in many places there will be money, but no food to buy.

Children, take good care of nature.

I repeat: few places will have potable water.

Wherever there are springs, streams and lakes, look after these water supplies and conserve them for your children and grandchildren.

Many of my children will die of hunger and others because of future war.

It is necessary to pray the rosary as a family.

It is necessary to teach children to pray, as they must be conscious of what is going to happen in the near future.

More and more, Earth is becoming a dangerous place to live.

However, I, the Queen of Peace, want to prepare your hearts for the arrival of my Divine Son.

My loved ones, a great flash in the sky will show everybody that the coming of My Son Jesus is near.

Pray, beloved children, for those who dedicate themselves to the health of others.

I want to reveal here that diseases are going to increase and a new virus will appear and cause many to die.

It is necessary to pray the rosary of Mercy at this very moment.

The disease will come from the East and spread into the West.

Children, in this period Heaven will be sad with man.

Know beloved children that the cure for many infirmities is not in medicine but in faith.  
My children, the experiments of science will bring destruction for many of my children.  
Many countries shall have no peace and seek refuge in the Americas.  
Brazil much loved by me, prepare your barns.  
Children, do not let them destroy faith which is the Light that illuminates your home.  
If the Light goes out, it will become Hell here on Earth. This is the reason to pray as a family.  
It makes Me so happy to see my children drawing on this Sanctuary of grace.  
Pray, pray for those who work here with love, so that the messages left here may reach many hearts.  
Pray for those who proclaim peace.  
Pray for China, Korea, Japan, Iraq, France, the United States and Israel.  
The fearful Eagle will not find a resting place on Earth because of what is happening on Earth.  
I am your Mother and that's why I am telling you all this today in a special way for this son's journey to Heede.  
My loved ones, night will turn into light because of the weapons.  
At this time, you should pray and if possible spend more time at home with your children and friends.  
*Seer: And the relatives, Our Lady?*  
Many of them will already betray you.  
Beloved children, be sure to pray for the Pope. Pay penitence for him.  
Put into practise what I have asked of you.  
The rock will fall out of the sky...  
Many will have nowhere to go. Only my Heart shall be safe refuge for these children.  
Do not be afraid. I am your Mother and I shall protect you.  
Priests, my sons, pray while you can.  
The Pope asks for help. You should look after him well and also assure his protection.  
The enemy is lurking and from inside the great temple, he signals to the ones he has chosen to destroy faith.  
Pray the rosary together with Me. I am the Queen of the Universe.  
Beloved children, as I have already said science will discover a cure for a certain disease,  
but only for a short time, as it will become more aggressive.  
The continent of Africa needs to raise altars to God, and only then shall the Light of My Son Jesus shine abundantly.  
I do not want you to be fearful, but rather give yourselves to My Son Jesus as soon as possible.  
Children, all this punishment could be avoided if there is prayer, love and charity among you.  
Brazil promotes peace among nations.  
Practise charity with love and selflessness.  
My children, hate is the seed of evil.  
Love beats evil. Love one another.  
Seek peace. The wind shall blow strongly over the church, but I the Mother of the Church, the Mystic Rose, I am beside my children.  
In 2017, there will be great happenings for the church and for the faith of many of my children.  
Pray with this in mind. With affection I bless you in the name of the Father, the Son and the Holy Ghost

**MESSAGE FROM OUR LADY - (15th October, 2015) São José dos Pinhais/PR**

Beloved children, I invite you to pray with me for peace in Europe.  
My loved ones, as you work for these messages to reach my children, I, the Mystic Rose, will bring you ever and ever more divine graces.  
Pray the rosary every day. It's necessary to pray children.  
March on my children!  
With affection I bless you in the name of the Father, the Son and the Holy Ghost.

**MESSAGE FROM OUR LADY - (4th August, 2016) São José dos Pinhais/PR**

Beloved children, peace!  
This afternoon I invite you once more to pray the rosary for peace. Pray, pray.  
I am the Mystic Rose – Queen of Peace.  
Dear children, I repeat once again: these messages have to reach all nations as fast as possible.  
Do not worry about anything, because I am your Mother and I watch over you.  
I love you and wish to help you to be saints. Have trust, my little children.  
I bless you in the name of the Father, the Son and the Holy Ghost.

## MESSAGE FROM Our Lady - (12th August, 2016) São José dos Pinhais/PR

Dear child, peace!

Today I invite you to pray for the Pope.

Children, special graces are ready to descend into all the homes where the rosary is prayed.

It is essential to pray the whole rosary (all 4 mysteries). With all the difficulties that you are going through, one chaplet is not enough.

You know graces are few and far between and that's why you must go on with courage.

Pray also for those who are around the Pope.

I'm Mary Queen of Peace – Mediator of All Graces.

I bless you in the name of the Father, the Son and the Holy Ghost.

*The sanctuary in São José dos Pinhais, the miraculous image of the Christ Child and a photo taken during an apparition.*
